ALASKA TOUGH

The Arctic Fiberglass Pac-Rat ATV Trailer is the most rugged, best performing outdoor trailer on the market. With its patented walking beam axle and 300lb tensioner within the armature, the Pac-Rat is more stable than your ATV and can travel through any terrain your vehicle can handle. Need to load it? Fill your Pac-Rat with 2,000 lbs cargo, animal, or even rocks with another 1,000 lbs capacity to strap on to the lid. Your Pac-Rat cannot be surpassed for camping, hunting, or farm use. The Arctic Fiberglass Pac-Rat stands alone.
